GENERAL TRANSMITTAL – MISCELLANEOUS INCOMING LETTER

Dear Sir:

Applicants electronically filed via USPTO EFS system today, January 30, 2007, the following documents:

an Amendment in response to the August 2, 2006 Office Action;
a Petition for a Three Month Extension of Time Pursuant to 37 C.F.R. §§ 1.136 & 1.17(a); and
an Information Disclosure Statement, a fee for filing the IDS under 37 C.F.R. §§ 1.197 (c), a
PTO1449, and 3 corresponding Non-Patent Literature References (Indian Drugs, C & E News
Article and An NDA Excerpt Section 1.7).

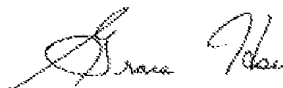

For the record, applicants note an inadvertent omission of a 4th citation reference from
the electronically filed PTO 1449 form and non-attachment of a copy of that reference as a non-
patent literature document.

Applicants electronically submit with this transmittal a corrected PTO 1449 form and the
following new reference:

“U.S.P.T.O. Biotechnology/Chemical/Pharmaceutical Customer Partnership Meeting,
June 13, 2006, Slide Lecture on: ‘Polymorphs in Pharmaceutical Products, Presenter:
Christopher Low, tQAS, TC1600’ ”.

No additional fee is required for the above-identified corrected and newly submitted
documents, respectively.

Respectfully submitted,

Grace C. Hsu
